Kayak: Awaroa to Bark Bay.

Description: Join us for the complete Tonga Island Marine Reserve Tour. This is a stunning day trip that covers the entire marine reserve from start to finish. Starting at Awaroa, courtesy of our Water Taxi transfer, allows us to visit Shag Harbour (tide dependent), a hidden inlet like nowhere else in the Abel Tasman. We then paddle south focusing on Tonga Island and it's playful inhabitants – the NZ fur seal, Kekeko. After a great picnic lunch on one of the beautiful beaches we'll visit Tonga Arches, exploring south along the carved granite coastline through to the tranquil lagoons and golden sand of the 'heart of the park' and our final destination, Bark Bay.
